Landscape Architecture in the Age of the New Normal
L'architecture de paysage à l'ère de la Nouvelle Normale

Suite 110, 355 Burrard Street
Vancouver, BC, Canada V6C 2G8
www.sitelines.org/shiftingground

April 2006

The CSLA/CELA Conference: Shifting Ground Organizing Sub-Committee welcomes your support of our Conference through the purchase of library booth space and a book donation to the University of BC MacMillan Library. A conference meeting room has been designated as the Conference Library and will be available to several publishers for product displays and book signings.

The Conference Organizing Sub-Committee recommends every booth be attended by a Member of the sponsor organization in order to speak with conference attendees and to safeguard their products. If the sponsor chooses not to have the booth attended by an individual during the course of the conference, the CSLA/CELA and all associated committees and organizations will not take responsibility for the replacement or reimbursement of any of the products/ displays/ books/ magazines or any other items displayed at the booth should those items go missing through no fault of the Committee.

We:

_____ Company Name (please print)

- have enclosed a money order/bank draft \$250 CDN payable to "2006 Shifting Ground Conference"
- agree to donate an unused book on landscape architecture or a related topic to the University of BC MacMillan Library and have mailed a book to:

ATTN: Lorna Adcock
The MacMillan Library
MacMillan Building, UBC
2357 Main Mall
Vancouver, BC V6T 1Z4

- agree to pay for and arrange logistics for all shipping, handling, and receiving that are related to the conference display space.

We hereby relieve the CSLA/CELA 2006 Conference Shifting Ground from any responsibility for loss of books and materials left in the Conference Library space during the 2006 CSLA/CELA Shifting Ground Conference.
